Southwest Area Trustee Report National 2014 Fall Meeting Wisconsin Rapids, Wisconsin September 30, 2014

The Southwest Area held our Spring 2014 meeting at Harrah's Lake Tahoe on May 6 – 9, 2014, hosted by the California ISO. Early arrivers had the opportunity to take a half-day cruise on Lake Tahoe. On Wednesday, the attendees broke in to groups and executed a restoration of the PG&E system. On Thursday, presentations included the CAISO's new Energy Imbalance Market and the new NERC Geomagnetic Disturbances Standard EOP-010-1.

The Southwest Area business meeting was held after lunch on Thursday. The winners of the 2014 Entering Freshman and Continuing Education scholarships were announced. There are 245 paid members and the SW checking account contains \$13,671.89. The members voted to increase membership dues to \$25 for 2015 and \$30 for 2016.

New officers were elected. They are:

- Michele Wynne – President and Trustee
- Dan Morse – Vice President
- Larry Bellnap – Secretary/Treasurer

The next Southwest Area APDA meeting, to be held jointly with the Northwest area, will be held in Las Vegas, Nevada the week on October 28 through November 1, 2014.

Respectfully Submitted,

Michele Wynne
Southwest Area Trustee
